

Containerized Solutions

Proven capability to reliably integrate your mission package into a protected containerized envelope – whether 463L, TRICONS, 10', 20' or 40' containers

- ❖ Delivered over 5,000 customized ISO Container-based mission solutions
- ❖ Operate reliably in expeditionary and remote environments – typically just require fuel for generators
- ❖ Proven integrator of hardwall and softwall container foldout solutions for military use
- ❖ Full Integrated Logistics Support
- ❖ Air, land and sea transportable including C130 and other military transport
- ❖ No application too challenging, work with all container and flatrack vendors
